

How to Login to

- 1.) Go to the Hudson Valley Community College website: www.hvcc.edu.
- 2.) Click on the “Current Students” link at the top of the page.
- 3.) Click on “WIReD - Register and Access Your Records.”
- 4.) Click on the “Continue to WIReD Homepage” button.
- 5.) From the home page, you can access general information pertaining to financial aid, the class schedule, course catalog and campus directory. To access the login page, click the “Login to WIReD” link.
- 6.) Your username should have been mailed to you. It consists of your first initial followed by a hyphen “-” (if you are a student) or a period “.” (if you are an employee) and then followed by up to 13 characters of your last name. All letters are lowercase and a username will be followed by a number if a duplicate username exists.
- 7.) Your initial password is a randomly generated combination of capital and lowercase letters, numbers, and special characters. To change your password, click on the “Need Login Help?” link at the bottom of login page and then “Change Your Password” on the following page.

Forgotten or lost passwords cannot be recovered. You can have your password reset via on of the following methods:
 - click the “Need Login Help?” link at the bottom of the login page and then “Username and Password Request Form” on the following page
 - visit the Registration Information Center at the Registrar’s Office with picture ID
 - call the Registration Information Center at 518-629-7700
 - employees: call Information Technology Services at 518-629-7311
- 8.) Click Login.
- 9.) Congratulations! You are now logged in to WIReD. WIReD offers many convenient features, including registration and easy access to student schedules and transcripts. All this just a click away!

For assistance, visit the Registration Information Center at the Registrar’s Office (first floor of Guenther Enrollment Services Center) or contact the Registration Information Center at 518-629-7700 or studenthelp@hvcc.edu.
